International Sugar Organization (ISO)

Research Papers (MECAS DOCUMENTS)

2017: Alternative Sweeteners Revisited: major developments and growth potential, MECAS(17)06.

The Caribbean Sugar Industry: Key Drivers and Outlook, MECAS(17)18.

2016: Prospects for Thailand's Sugar Industry, MECAS(16)07.

Foreign Direct Investment and Mergers & Acquisitions in the World Sugar Industry, MECAS(16)17.

- 2015:** Non-Tariff Policy (NTMs/NTBs) in a Global Sugar Trade Context, MECAS(15)08.
Organic, Fairtrade and Speciality Sugars, MECAS(15)18.
- 2014:** Government Sugar Trade Policy - Tariffs and Tariff Rate Quotas in a World Market Context, MECAS(14)07.
Australia's Sugar Industry Outlook, MECAS(14)16.
- 2013:** Future Role of Sub-Saharan Africa in World Sugar and Sugar Crop Renewable Energy, MECAS(13)05
Productivity and Innovation in the World Sugar Industry, MECAS(13)18.
- 2012:** Alternative Sweeteners in a Higher Sugar Price Environment, MECAS(12)04.
World Fuel Ethanol Outlook to 2020, MECAS(12)19.
- 2011:** Government Sugar Trade Related Policy in a New Market Environment: a Survey, MECAS(11)06.
Thailand's Sugar and Fuel Ethanol Outlook, MECAS(11)17.
- 2010:** GM Beet and Cane: Prospects in a New Market Environment, MECAS(10)05.
Fuel Ethanol Prices and Drivers – a World Survey, MECAS(10)19.
- 2009:** Sugarcane Ethanol and Food Security, MECAS(09)07.
Market Potential of Sugarcane and Beet Bio-products, MECAS(09)17.
- 2008:** Sugarcane Smallholders in Sub-Saharan Africa: status, challenges and strategies for development, MECAS(08)05.
US sugar under the 2008 Farm Bill: national and international implications, MECAS(08)16.
- 2007:** Southern Africa: key drivers impacting sugar export potential, MECAS(07)07.
Government biofuels policy and sugar crops: outlook to 2015, MECAS(07)17.
- 2006:** Analysis of cane & beet payment systems MECAS(06)04.
The World Market Product Structure and Pricing of Physical Sugar, MECAS(06)18.
- 2005:** Understanding key drivers favouring destination refineries and their possible future impact on world sugar trade; MECAS(05)07.

- Sugar Substitutes Revisited: Recent Developments and Outlook, MECAS(05)16.
- 2004:** World sugar and renewable energy: new drivers and their impacts, MECAS(04)04.
- Transition, Rationalisation and Diversification in Australia's Sugar Industry: Implications for Export Prospects, MECAS(04)15.
- 2003:** The 2002 US farm law: implications for the world sugar market, MECAS(03)06.
- Deregulation of India's sugar sector: status, prospects and impacts, MECAS(03)19.
- 2002:** Key Drivers of the World Sugar Market, MECAS(02)08.
- Ethanol from Sugar Crops: Prospects and Implications for the World Sugar Market, MECAS(02)17.
- 2001:** Sugar Price Seasonality, MECAS(01)07.
- NAFTA and other Latin American Trade Blocs: Recent Developments Impacting Sugar, MECAS(01)20.
- 2000:** Developing country perspectives on the 1994 GATT Uruguay Round Agreement on Agriculture and the world sugar market, MECAS(00)09.
- Sugar-High Intensity Sweetener Blends: a threat to sugar consumption?, MECAS(00)19.
- 1999:** The 1994 GATT Uruguay Round Agreement on Agriculture and the World Sugar Market, MECAS(99)16.
- Genetically Modified Beet and Cane: Consumer resistance and potential market impacts, MECAS(99)19.
- 1998:** Developments in National Fuel Alcohol (biofuel) Programs: Implications for World Sugar Trade, MECAS(98)26.
- Developments in the Availability of Sugar Substitutes: Historical Review and Future Prospects, MECAS(98)23.
- 1997:** Changes in Sugar Policy in India, MECAS(97)9.
- 1996:** The World Ethanol Market, MECAS(96)20.
- 1995:** Sugar in NAFTA: Implications for Mexico's Sweetener Trade and the World Market, MECAS(95)18.

Prospects for Brazil's PROALCOOL Programme and Implications for the World Sugar Market, MECAS(96)8.

Conference Presentations (From 1997).

2017

2nd ISO/APS International Sugar Conference: An Integrated and Competitive African Sugar Sector: Dream or Reality, *Diversification & Sustainability of the Ethanol Market*, February 22-23, Marrakech, Morocco.

WABCG Council, World Sugar Industry: *Foreign Direct Investment Mergers & Acquisitions*, 13th March, Yamoussoukro, Cote d'Ivoire.

2016

Chaired and Addressed IBC Asia, 6th Africa Sugar, 2016, *Organic, Free Trade and Speciality Sugars*, 30 March-1 April, 2016, Maputo, Mozambique.

4th Annual F.O.Lichts Sugar & Ethanol Africa, *Ethanol and Cogeneration to Play a Bigger Role?*, September, Nairobi, Kenya.

Addressed the Sugarcane Landscapes Workshop, on "*Global Sugar Market Trends*", 6 July, University College London.

2015

WABCG, *Government Sugar Trade Policy: Tariffs and Tariff Rate Quotas in a World Market Context*, Council Meeting, 21 April 2015, Guadalajara, Mexico.

IBC Asia, 5th Africa Sugar, 2015, *Technical Investments and Innovation for Improvements in Cane Sugar Production and Refining Efficiencies*, 28-30 April, Nairobi, Kenya

1st ISO/ASP International Sugar Conference, *The Compelling Case for Diversification*, 11th September, Marrakesh, Morocco.

F.O.Lichts Africa Sugar and Ethanol Conference, *World Sugar Market Outlook*, 15th September, Durban, South Africa.

BSST Autumn Technical Session on *Opportunities for EU Sugar Post 2017*, 15th October, Kew, England.

ISO 24th International Seminar, *Australia's Sugar Industry Outlook*, 18th November, London, UK.

2014

Chaired and addressed IBC Asia's 4th Africa Sugar Outlook 2014 on *Sugar Trade Policy and Pricing in Africa*, and *Top Investment Spots for Sugar in Africa*, 28-30 April, Mombasa, Kenya.

WABCG 2014 Council, *World Sugar Prices, the Impact of Currency Movements*, 11-13 June Brussels, Belgium.

Chaired and addressed IBC Asia 20th ASIA INTERNATIONAL SUGAR CONFERENCE, *Global Sugar Market Outlook*, 26-28 August, Yogyakarta, Indonesia.

F.O. LICHT'S SUGAR AND ETHANOL AFRICA 2014, *World Sugar Balance and Trade Flows Analysis*, and *Sugar Investment Hotspots in Africa*, 9-11 September, Durban, South Africa.

F.O. Licht's World Ethanol & Biofuels 2014 on *Global Sugar Supply and Demand Prospects*, 3-6 November, Budapest, Hungary.

2013

Chaired the 3rd Africa Sugar Conference on "Harnessing Africa's Sugar and Green Energy Potential" and addressed the conference on *Africa's Changing Role in the World Sugar and Ethanol Markets*, from 15-17 April, Nairobi, Kenya.

F.O.Lichts Sugar and Ethanol AFRICA 2013, *Assessing the Global Sugar Market Demand and Supply Balance: With a Special Focus on Africa*, September, Durban, South Africa.

13th ACP Ministerial Conference on Sugar, *ISO Perspectives on the World Sugar Market: Market Challenges for ACP/LDC Countries*, 14th October, Fijian Resort and Spa, SIGATOKA, Fiji.

22nd ISO International Seminar, *Innovation: Key to Success*, November, London.

CFC/ISO/ISRI INTERNATIONAL SEMINAR on Achieving Self Sufficiency in Sugar: Benefits and Challenges, *Productivity and Innovation in the World Sugar Industry*, 4th December, Yogyakarta, Indonesia.

2012

Chaired the 2nd Africa Sugar Conference and addressed the conference on *The Future of the Sugar Industry in Africa*, 14-15 March. Nairobi, Kenya.

FIJI / FAO 2012 ASIA PACIFIC SUGAR CONFERENCE, Market Challenges (overview): Enabling Policies to Meet These Challenges, 21 – 23 August, Westin Resort & Spa, Denarau, FIJI ISLANDS.

2011

UNCTAD, Global Commodities Forum on *Sugar, Fuel Ethanol and Crude Oil Prices*, 31 January, Geneva.

Chaired and presented to the IBC Africa Sugar Outlook 2011 Conference, *Sugar Cane as a Renewable Resource for African Development?* 24-25 March Nairobi, Kenya.

5th ISO /DATAGRO conference: "Strategies for Growing Competitive Markets" in, *Main Factors Driving the World Sugar Market*, 18 May, New York.

32nd WABCG Council, *The future of the sugar industry in Africa*, 27 and 28 June, Dar Es Salaam, Tanzania.

Co-organized and addressed the 2nd ISO/CFC Workshop, *Essential streams for sugarcane diversification*, September, Ribeirão Preto, Brazil.

2010

Annual General Meeting of the British Society of Sugar Technologists, *Ethanol Versus Sugar as Food*, 21st April, Chatham House, London.

ISO 19th International Seminar: *World Sugar and Ethanol: Strategic Drivers in the Post-Crunch Era*, November, London.

2009

5th ISO/University of Assuit Egypt International Conference on World Perspectives for Sugar Crops as Food and Energy Suppliers, *Sugar and Future Trends in World Food Security*, 1-4 March, ISIS Hotel, Luxor, Egypt.

CFC/ISO Workshop on Sugar and Diversification, *Cogeneration: global overview*, 8-11 June, Ribeirão Preto, Brazil.

2008

Ministry of Agriculture Sugar Cane Industry Retreat, *Regulatory/Institutional Framework in a Privatized Sugar Cane Industry and The Policy & Regulatory/ Institutional Arrangements & Pricing for Renewable Energy in Brazil*, 9 January, Kingston, Jamaica.

2nd ISO/DATAGRO New York Conference, *Spotlight on the world fuel ethanol market*, 7 May, New York.

2007

XXVI Congress, International Society of Sugar Cane Technologists, *New Strategic Drivers for World Sugar: What are they and how will they impact the market?*, 29 July - 2 August, ICC, Durban, South Africa..

XXVI Congress, International Society of Sugar Cane Technologists, *The World Market Product Structure and Pricing of Physical Sugar*, 29 July - 2 August, ICC, Durban, South Africa.

WABCG, *World Fuel Ethanol: Can Ethanol be Traded Globally in a Large Proportion*, 9-12 July, Hyatt Hotel, Brisbane, Australia.

Euromoney Clean Fuels Finance Forum 2007, *'Ethanol Supply Outlook from a Feedstock Cost Perspective'*, 30 January London.

4th bi-annual ISO/University of Assiut Egypt Conference: World Perspectives for Sugar Beet & Cane as a Food & Energy Crop, *Understanding the Ethanol-Sugar Equation*, 4-7 March, Sharm El Sheikh.

Co-chaired the conference “Sugar Investors 2007”, as well as to make an address concerning *Global markets: Sugar, Alcohol, Molasses and the interaction with Energy Markets and National Level Developments*. 28-30 March, New Delhi, India.

SADC Sugar Conference: Sugar – Its many Facets for Future SADC Growth, *SADC Sugar: Key Drivers Impacting Growth Prospects*, 11 September, Sandton, South Africa.

Argus Biofuels Trading Congress, *The current and future role of fuel ethanol in the European Market*, 5 November, London.

Final Dissemination Workshop on “Enhancing the Viability and Competitiveness of Caribbean Sugar Industries” (CFC/ISO/24) and International Forum, *Government Biofuels Policy and Sugar Crops: Key Driver for Sustainable Opportunities*, December, Ocho Rios, Jamaica.

2006

Terminal Dissemination Workshop for the CFC/ISO/25FT project, “Assessing the Potential for Small Scale Sweetener and Energy Production Systems by Small-holders in Southern Africa”, *The Global Status of Fuel Ethanol and Sugar Market*, 12th March, Lusaka, Zambia.

International Sugar Development Forum, *World Sugar and Fuel Ethanol Markets: New Strategic Drivers*, 24 April, Manila, Philippines.

Jamaica Association of Sugar Technologists Forum, *Ethanol & Sugar in the World Market*, June 12, Bernard Lodge, Spanish Town, Jamaica.

Diversification 2006 Congress on Sugar and Derivatives, incorporating the CFC/ISO/ICIDCA “International Workshop on Production and Uses of Ethanol”, *The commercial Viability of Fuel Ethanol Production*, 22 June, Havana, Cuba,.

53rd Annual National Convention of the Philippine Sugar Technologists Association, Inc., *World Sugar and Fuel Ethanol Markets: New Strategic Drivers*, 3 August, Cebu City, Philippines.

F.O. Licht’s & China Sugar Association’s World Sugar & Ethanol China conference on ‘*Will Ethanol Destabilise Sugar?*’ and on *Ethanol and the Asian Supply Gap*, 19 September Beijing, China.

F.O.Licht’s World Ethanol Conference ‘*Will high sugar prices constrain ethanol production?*’, 8th November, Amsterdam, The Netherlands.

2005

F.O.Licht’s 8th European Sugar Conference on “World Fuel Ethanol: Analysis and Outlook”, 7-8 June, Brussels, Belgium.

3rd bi-annual ISO/University of Assiut Egypt Conference: International Conference on Political, Economic and Technological Challenges for Sugar and its Integrated Industries in the Arab Region, the Middle East, Africa and the European Union, *World Fuel Ethanol: analysis and outlook*, 3-6 April 2005, Helnan Palestine Hotel, Alexandria, Egypt.

2004

CFC, International Commodity Conference: The role of Commodities in Sustainable Development, *Good Governance and Commodity Development: Sugar*; October 28th Washington DC., United States.

The Cane Resources Network for South Africa (CARENSA) Stakeholders meeting, *International sugar trade and policy reform*, 17th November, Mauritius.

Cane Resources Network for South Africa (CARENSA) technical workshop, *Economics of Ethanol production*, 18th November, University of Mauritius, Mauritius.

2003

Cane Resources Network for Southern Africa (CARENSA Network), *Overview of world sugar policy and the factors driving the pace and magnitude of possible future reform*, 8-13 December, Durban, South Africa.

Regional Round Table Meeting on Commodity Development in Latin America and the Caribbean Region, organized by the Common Fund for Commodities and the Government of Cuba, "Green Energy from Agriculture - Biofuels", 17-20 November, Havana, Cuba.

Chambre d'Agriculture de l'île Maurice, Symposium Agriculture, *Agriculture: a source of green energy*, 29-31 October, Octave Wiehe Auditorium – Réduit, Mauritius.

Seminario Internacional de Alcohol carburante, , organizaed by Asocaña, CORPODIB and TECNICAÑA; *Vabilidad comercial del etanol combustible" – commercial viability of fuel ethanol*, junio 17 y 18, Santiago de Cali, Colombia.

ISO/University of Assiut, International Conference on The Arab Region and Africa in the World Sugar Context, *World Trade Organization Doha Round : Expectations for Sugar*, 9-12 March, Isis Island Hotel, Aswan, Egypt.

SADC Sugar Technical Committee, *Cane Resources Network for Southern Africa*, 31st January, Johannesburg, South Africa.

2002

South African Sugar Association Workshop: SUGAR IN A MULTILATERAL AND AFRICAN CONTEXT, *Ethanol – Future Implications for Sugar*, 28th May, South African Sugar Association, Kwa-Shukela, South Africa.

Seminario Internacional Etanol Y Energia: Alternativas Para El Desarrollo Sostenible De la Agroindustria Cañera En Republica Dominicana, *Situación Mundial de la Agroindustria Azucarera* , July, Santo Domingo, Dominican Republic.

Encontro Internacional de Países Latino-Americanos de Produtores de Açúcar, *Perspectiva do Açúcar no Mundo*, September, Sao Paulo, Brazil.

FAO/Mozambique International Sugar Conference - "Sugar and development in Africa and the World: sustainability, diversification and trade", *Organics: a viable alternative?*, Maputo, Mozambique, 10-12 October.

F.O.Lichts 6th European Sugar Conference 2002, Regional Trade Agreements: Challenge or Threat to International Sugar Trade?, October, Brussels, Belgium.

UNCTAD, 8th Geneva Roundtable on Trade-related Issues, Recent Trends and Policy Developments: Sugar, November, Geneva, Switzerland.

11th ISO International Seminar, *Sugar Crops & Biofuels: towards Sustainability?*, November London.

2001

F.O.Licht's 2nd World Sugar By-products Conference, "The Commercial Viability of Fuel Ethanol from Sugarcane" ., 11-21 February, Miami, FL, U.S.

Ethanol & Sugar Commerce 2001, *Key Factors Shaping the Commercial Viability of Fuel Ethanol*, 1-2 March, Park Royal Hotel, New Delhi, India

International Sugar Council Workshop, Sugar in the WTO, *WTO Agricultural Trade Negotiations and Sugar: where do we stand?*, May, New Delhi, India.

2000

Common Fund for Commodities Round Table Meeting on Commodity Development in Latin America and the Caribbean Region, *Overview of The World Sugar Economy*, 14-17 August, Guatemala City, Guatemala.

CFC/ISO **Organic Sugar Symposium**, *Organic Sugar Outlook*, 18 August, Guatemala City, Guatemala.

ISO 9th INTERNATIONAL SEMINAR, HOT ISSUES FOR SUGAR, *Seattle: One Year On Where do we Stand?*, November, London.

1999

Common Fund for Commodities, Round Table Meeting on Commodity Development in Africa, *Overview of The World Sugar Economy*, 8 to 12 November 1999, Cairo, Egypt.

CFC/ISO/Swaziland Sugar Association, Sugar Fortification Conference, , *Sugar Fortification Potential in Southern Africa*, 29 June- 1 July, Royal Swazi Convention Centre, Ezulwini, Swaziland.

1997

Common Fund for Commodities, International Workshop: Commodity Development in Latin America and the Caribbean Region, *Overview of the World Sugar Economy*, 15-19 September 1997, Caracas, Venezuela.

Other Pertinent Activities in ISO Role

2017

Chaired the 7th IBC Africa Sugar Conference, "*Challenges and Opportunities for Africa's Sugar Industry*", 4-6 April, Nairobi, Kenya.

Attended the 9th Session of the Group on Commodity Markets, Working Party on Agricultural Policies and Markets, OECD-FAO AGRICULTURAL OUTLOOK 2017-2026, 23-24 March, FAO, Rome, Italy.

2016

Chaired the Production Technology Workshop at the 4th Annual F.O.Lichts Sugar and Ethanol Africa, September, Nairobi, Kenya.

2015

Chaired the session on Sugar at a Workshop on the Medium-term Outlook for the EU Agricultural Commodity Markets, 22nd and 23rd October, Brussels, Belgium.

2014

Attended the OECD's 6th Session of the Group on Commodity Markets: Working Party on Agricultural Policies and Markets, OECD-FAO Agricultural Outlook 2014-2023, Rome.

2012

Attended the 4th Session of the OECD Group on Commodity Markets, 26-27 March, FAO, Rome, Italy.

Co-moderated the 6th ISO/DATAGRO Conference in New York on “The challenge of meeting global demand for sugar and ethanol”, 16 May, Waldorf Astoria, New York, United States.

2011

Attended FO Licht’s World Ethanol and Biofuels Conference, 8-10 November, W Hotel, Barcelona.

2010

Moderator at the ISO/DATAGRO Conference New York, in conjunction with the New York Sugar Dinner, 19 May, Waldorf Astoria, New York, United States.

Attended the 17th Meeting between the CFC and the International Commodity Bodies, 31 August, convened at the International Tropical Timber Organisation, Yokohama, Japan.

Attended FO Licht’s World Ethanol Conference, 3-5 November, Hotel InterContinental, Geneva.

Attended the Seminar on “Sustainable Biofuels: Recent Developments, International Opportunities”, 12 November, Chatham House, London.

2009

Participated in the 1st Session of the Group on Commodity Markets, Working Party on Agricultural Policies and Markets, OECD, Paris, 6th April 2009.

Moderated at the 3rd ISO/DATAGRO, New York Sugar Conference “Credit crunch – lessons to be learned for sugar & ethanol”, May 2009, Waldorf Astoria, New York, United States.

Participated in the Public-Private Alliance Foundation’s Annual Partners Against Poverty Event at the United Nations. A Facilitated Roundtable Discussion on Business Model Innovation for Investment in Partnerships. Topic: Ethanol Development and Production. May 7, 2009, New York.

2007

Moderated the ISO/Datagro New York Sugar Conference, 9 May, Rainbow Room, New York, United States.

Attended the 4th Joint Session of the Working Group on Cereals, Animal Feeds and Sugar and the Group on Meat and Dairy products, OECD in Paris, April where he provided comments on the OECD Secretariat’s draft projections for the world sugar market to the year 2008.

2005

Attended F.O.Licht's "World Ethanol" Conference, 3-4th November, Amsterdam, The Netherlands.

2004

Participated in the 24th Session of the Working Group on Cereals, Animal Feeds and Sugar of the Working Party on Agricultural Policies and Markets of the Committee of Agriculture, OECD, Paris, 5th April.

Participated in the 5th Joint Session of the Working Group on Cereals, Animal Feeds and sugar, and Group on Meat and Dairy Products of the Working Party on Agricultural Policies and Markets of the Committee of Agriculture, OECD, Paris, 6-7th April.

Supervisor, CFC-ISO Sugar Development Projects

- Promoting Alcohol Fuel Programmes (Brazil and Colombia).
- Waste Treatment at Factories Producing Alcohol from Sugarcane Molasses (Cuba).
- Demonstrating Increased Resource Use Efficiency in the Sugar Industry of Southern Africa through Environmentally Sustainable Energy Production using Sweet Sorghum (Zimbabwe).
- Enhancing the Viability and Competitiveness of Caribbean Sugar Industries (Jamaica).
- Sugar Cane Variety Improvement in South East Asia and the Pacific (Philippines, Indonesia, Thailand, Malaysia).
- East Africa Sugar Development (Kenya, Tanzania, Uganda).
- West Africa Sugar Development (Nigeria, Cote d'Ivoire).

Ongoing

Reviewer for International Sugar Journal.
